TRAFFIC ADVISORY

Effective November 6, 2010, MassDOT will close all inbound travel lanes on Route 28 southbound at the intersection of Land Boulevard as part of the Craigie Drawbridge Rehabilitation Project Phase I. The Craigie Drawbridge carries McGrath O'Brien Highway (Route 28) between Land Blvd. in Cambridge and Leverett Circle in Boston.

Traffic trying to access I-93 and Storrow Drive will be detoured east over the Gilmore (Prison Point) Bridge towards Bunker Hill Community College/City Square. Traffic heading to I-93 Northbound will be directed left through Sullivan Square, while traffic trying to access I-93 Southbound and Route 1 via the Tobin Bridge will be directed to turn right. Traffic traveling to the Charles Circle Area will be detoured westbound down Land Boulevard to the Longfellow Bridge to cross the Charles River. Outbound traffic leaving Boston through Leverett Circle will be unaffected during this period.
