FORWARD

YOUR TICKETS TO FRIENDS AND FAMILY

It is quick, easy and free to forward your tickets to your family, friends and coworkers via email! Just log into your Account Manager and select the tickets you wish to forward. Once your tickets are accepted by your guest, the barcodes on your original tickets become invalid and new tickets are emailed to your fellow Terrier fan. Tickets can be forwarded up to 2 hours before the game.

DONATE

YOUR TICKETS TO NON-PROFIT ORGANIZATIONS

The Terriers are excited to offer the option of donating your tickets to local non-profit organizations to give kids of all ages the opportunity to attend a Terrier hockey game. All tickets donated will receive a tax receipt. To donate your tickets, log into your Account Manager, select the tickets and choose the DONATE option. Tickets can be donated up to 48 hours before a game, in order to allow for the tickets to be distributed to our local charity partners.

EXCHANGE

YOUR TICKETS WITH OTHER SEASON TICKET HOLDERS

Terrier TicketExchange is a service that lets you sell and purchase additional tickets directly from other season ticket holders. Handling fees will apply with TicketExchange.

Selling

You can post your tickets anonymously for sale to other fans via our secure online TicketExchange.

1. Log into your Account Manager
2. Identify the tickets you wish to sell and enter an expiration date for the listing.
3. Click "Post tickets for sale" to immediately list your tickets.

Once your tickets are purchased, the barcodes on your original tickets become invalid and new tickets are emailed to the buyer. The sale price is credited to your season ticket account. If your tickets aren't sold by the expiration date you set, you will be notified via email and your original tickets will remain valid.

Buying

Buying with Terrier TicketExchange is secure and easy. And with email delivery, you'll receive tickets right away. This is the only team approved way to buy tickets from Season Ticket Holders because only genuine Ticketmaster tickets can be posted there. That means you get in, guaranteed! And with Ticketfast, you can print your tickets anywhere, anytime!
