TICKETING & RFID BADGES

For The ELEAGUE Major: Boston, your ticket will need to be swapped for an RFID enabled badge to gain entry into the tournament. Please arrive at the box office windows and present your valid Ticketmaster ticket, and exchange for an ELEAGUE Major Badge. This badge will need to be registered at eleague.com/bostonregistration. If you have received early badge fulfillment through Ticketmaster please enter in through the doors closest to Commonwealth Avenue. If your badge is misplaced, you can purchase another for \$5.00 at the RFID Box Office window.

What does your RFID enabled badge do at The ELEAGUE Major: Boston?

This badge will be used to enter and exit the arena each day of the tournament. Badges must be scanned to pick up your gift bag and daily item giveaway. Registering your badge allows you to receive text notifications regarding gameplay, prizing, and autograph sessions, as well as interaction with multiple experiences throughout the weekend. For more information on how your badge works please visit the RFID window in the Box Office.

BAG POLICY

NO BAGS LARGER THAN 12"x 12"x 6" ALLOWED. To provide a safer environment for the public, Agganis Arena will not allow any bag that exceeds 12" x 12" x 6" into the facility. All guests are subject to search. Please allow additional time for entry and please plan accordingly.

Guests can sign up for up to (2) autograph sessions per day.

If you have successfully registered for an autograph session, you will receive a text notification letting you know the session is about to begin. See the autograph sign up kiosk in the Clubroom for a general autograph schedule. Exact times subject to change based on match times

You may bring one item per session to sign. Please refrain from asking the players to take photos.

Sponsor Activations

HYPERX

HyperX is back for its third year with the ELEAGUE CSGO fans! Come by their booth to check out the exclusive deals on their Cloud Alpha headset and Pulsefire mouse, and get your hands on the new Alloy Elite RGB keyboard.

ALIENWARE

You've likely seen the Alienware 'Getting Technical' segments in past ELEAGUE broadcasts that track the eye-movements of some of your favorite pro players. Alienware invites you to take a seat and experience the same hardware and technology powering the tournament stage. The Alienware Aurora and AW2518 240Hz monitor will make your CSGO gameplay run buttery-smooth and the Tobii eye-tracker follows your gaze with incredible accuracy and responsiveness as you progress carefully throughout the map. Come by and check it out!

AIRFORCE

Stop by the Air Force Special Ops experience to meet real life Air Force EOD team members, operate an EOD robot and even take a picture in an actual bomb suit. Then experience the thrill of a high-altitude parachute jump in Air Force Special Ops: Nightfall, a PlayStation® VR game.

Guesspionage

Fans can play the crowd-sourced polling game Guesspionage prior to each days broadcast. After taking a seat in the arena, enter 'jackbox.live' on a phone's web browser to play along. Prizes will be awarded to the winners of each game.
