

Jeffrey Glassman Injury Lawyers - Your Trusted Personal Injury Law Firm in Boston

Free Case Evaluation • Free Auto Insurance Policy Review

We are proud to offer our personal injury expertise to the Boston University community including employees, students, alumni, faculty and BU Season Ticket Holders.

Since 1995, we have been dedicated to representing injured victims in Boston and throughout Massachusetts. At Jeffrey Glassman Injury Lawyers, we understand the physical, emotional, and financial toll that accidents can take on victims and their families.

Our experienced team of attorneys focuses on car accidents, bike accidents, motorcycle accidents, bus accidents, truck accidents, pedestrian accidents, workers' compensation cases, slip and fall accidents, and social security disability claims. We also handle birth injuries, traumatic brain injuries, mesothelioma and many other types of injuries.

When you call us, you will receive:

- **A Free Case Evaluation** - Our team will thoroughly evaluate your case to determine the best course of action.
- **No Fee Until We Win** - You won't pay any fees until we successfully resolve your case.

We are also offering the Boston University community:

- **A Free Auto Insurance Policy Review:** We help you understand your auto insurance coverage to ensure you are adequately protected.
- **Referral Attorneys** - If you have a case outside of personal injury, please let us know and we will use our best efforts to find you a lawyer that can help you.

Proven Results

For nearly three decades, Jeffrey Glassman Injury Lawyers has been a pillar of support for Boston's injured community and we have won over \$250 million for our clients. Clients often describe us as having some of the best personal injury attorneys in Boston, thanks to our dedication and proven results. Our commitment to justice and our clients' well-being has made us a trusted name in personal injury law.
